ATTACH LESSON PLAN FOR DETAILED DESCRIPTION (REQUIRED)

Sustainability of Project *(Should be able to use with students each year):*

Mini-Grants for Teachers

How will this project impact students and/or the school long-term - what is the educational value of the project?

Is this a collaborative project? If yes, how will other teachers and classrooms be involved?

What do you hope students will accomplish through this project?

How will this project enhance curriculum and create memorable and/or unique classroom experiences?
